During this month, Pope Francis invites people of good will to come together and pray:

That those who work and live from the sea, among them sailors, fishermen and their families.

Let us pray:
Dear Lord, look after the fishermen, sailors and their families and give them strength to endure the hardship of the sea. Help them stay united with their families despite the long time spent away from home.

Hands on:
I find out about the life of fishermen, sailors and their families. I get to know more about the dangers faced by those who spend most of their lives at sea.
